	MONDAY 16th SEPTEMBER

20.00	PLENARY PRESENTATION OF THE GROUPS Ice Breakers/Presentation Games	
20:30	Welcome Party. SPANISH Cultural Evening and Dinner	
	TUESDAY 17 th SEPTEMBER	
08.30 - 09.30	BREAKFAST	
09.30 - 10.00	Energizer - Self Introductions different "name-games" (30 min)	
10.00 – 10.30	Presentation of the project in the context of Erasmus + Programme - goals, objectives and methodology; Q&A session, discussions	
10:30 – 11:30	Introduction of the participants - Group leaders will present in 5-10 minutes their organization and local communities they are working in. Then participants will present themselves using the "personal shield" (60 min)	
11:30 – 12:00	"SPEED DATE": this activity follows the basic principle of a normal speed date. All the participants will be asked to organize themselves in two rows so that each one has a partner in front of him; When the signal is given, each pair of participants will have 2-3 minutes to introduce themselves and collect as much information as possible about the person in front of them. After this time, the participants will move to the right to rotate and allow everyone to talk to everyone. The activity ends once the first person with whom you have spoken is again in front of them: they have to tell this person what they remember about him/her. (Hostal Meeting Room, 30 minutes)	

12:00 – 13:00	"SMELL AND GUESS" (Theme: smell): Each participating country will be responsible for bringing from its country a typical and characteristic food (a spice, a fruit, a vegetable, etc.) that others should recognize only using the sense of smell and taste, without touching them nor see them. They will be divided by teams by countries and, forming a circle, everyone will put a blindfold on their eyes. The protagonist country will put the food in front of them and they will have to guess what it is made of. All the countries will do it. (Dinning Room of the Hostel, 60 min)
13.00	ITALIAN Cultural Lunch prepared by participants
15:30 – 16:00	Workshop on the creation of the Web site and the Blog Workshops in small groups: work on the content of the Web site
16.00 – 17.00	"TABOO": In this activity, the participants will be divided into teams. Each participant will write on a paper two words and they will put it in a box in the centre. There will be two rounds: in the first, each participant will have to take a paper and read the word in a low voice and try to explain it to their team but without saying what it says. The more words answered in a minute, the better. Once that round is over, participants will put these papers back in the box and this time they will take one but they will only be able to say a related word, and that will be enough for everyone to relate what they have heard before.(Plaza de la Cebada, 60 minutes).
17.30 – 18.30	Fears and expectations, rules (60 min) Each participant will receive post-its (yellow and blue) and they will write their expectations on the yellow post-its and their fears on the blue ones (as many as they want). They will stick them on two different walls in the meeting room. We will check daily in what measure their expectations were met and their fears were avoided For establishing the rules we will have a brainstorming. For making the exercise more amusing we will put more flipchart paper on the floor, ask a volunteer to lay down on the papers and draw the contour of his/her body on the papers. Then we will write inside the border what we are allowed to do and outside the border what we are not allowed. The rules will be also sticked on a wall such as they will be visible during the whole youth exchange.
